

(Drislane - Purcell)

1 Does that help refresh your recollection or
2 understanding that the reason for the dissolution of the
3 Brake Lining Manufacturers' Association was the indictment by
4 the government of these three BLMA members?

5 MR. FRIESTEDT: Object to the form.

6 A This was before my time. What it says there, I
7 guess there was something about they were accused I guess of
8 price fixing or something along that line. And Les Stickles
9 was the attorney for FMSI and he handled all this stuff
10 here. I never saw this, of course, obviously June 30, 1949,
11 I was not involved.

12 MR. FRIESTEDT: Mr. Drislane, if I could just
13 mention at this point that if you didn't have a specific
14 knowledge or recollection from which you can form a response
15 to counsel's question, then it's appropriate to say that you
16 don't have a recollection or you don't recall or you were not
17 involved.

18 A I was not involved in this at all.

19 Q At some point when you were executive director of
20 the FMSI, isn't it true that you were involved in the
21 selection of counsel to continue to advise the FMSI on
22 antitrust matters?

23 MR. FRIESTEDT: Object to the form.
