Mr. Secretary, thanks for roping me in the public policy roundtable on Dec. 10... very informative. And loved seeing the great work on NEPA this week. Got to work at DOE with Mary Neumyer back 05/06. She's great.

Just wanted to make sure you had the attached invite to the SCI Convention in Reno, NV, in early February. I know it's a tall order, but we'd love to have you if you can make it.

Have your folks get back with any questions.

Dear Secretary Bernhardt,

On behalf of Safari Club International (SCI), I cordially invite you to our 48th Annual Hunters' Convention taking place February 5 – 8, 2020 at the Reno-Sparks Convention Center in Reno, Nevada. SCI is the premiere organization fighting for hunters' rights and defending the essential role that hunting plays in wildlife management and conservation. Our annual convention showcases our mission of "First for Hunters."

Attracting nearly 25,000 hunters, conservationists, guides, and outfitters annually, our convention has everything sportsmen and women could dream of. With roughly 650,000 square feet of exhibit space, SCI's Convention is the most dynamic and diverse hunting show today. You will find it to be one of the best opportunities to interact with the sportsmen's community and the outdoor industry in America.

Please be sure to join us on the evening of Friday, February 7, 2020 at the Peppermill Reno Resort for our featured banquet for Federal legislators. Before the event, SCI will host a private reception for Congressional attendees, SCI's Executive Committee, and members of the SCI-PAC Board of Trustees.

SCI's Government Relations staff will contact your office to arrange your visit to our Reno Convention. If you have any questions before then, please contact Bill Greene at bgreene@safariclub.org and at (202) 660-2123.

Sincerely,
