December 1, 1994

Item	Borden	Dow	Formosa	GEON	G. Gulf	Oxy	PPG	Vista
1) Comm. Forms Received DUE 01/15/95								
2) Payment Received								
3) VCNet Map Update DUE: 02/28/95	Committee members will bring any changes to the VCNet Transportation Map to the next meeting. Members also should bring any changes to the company response capabilities. H. Shah will invite Ludi Benner of Events Analysis to the next meeting.							
4) VCNet Brochure DUE: 12/15/94	J. Klimavicz will revise the brochure and send copies to Dr. Shah for distribution to the Panel for review by company legal departments.							
5) Recomm. to AAR on Standr. of Railcars DUE: 12/31/94	H. Shah will work with C. Toth to draft a letter to AAR re: the recommendation on the standardization of cover plates on VC railcars. H. Shah will contact AAR to request that the issue be put on the agenda for the next AAR Rail Work Group meeting.							
6) List of VC Railcars Currently in Use DUE: 2/28	Formosa and Vista will submit lists of their railcars in use to G. Marshall for incorporation into the master list. G. Marshall will bring the list to the next Panel meeting.							
7) List of VCM Incidents DUE: 02/28/95	H. Shah will request a list of VCM incidents from CHEMTREC for 1993 and 1994 and send the list to Committee members.							
8) Identif. of Potential Training Sites DUE: 02/28/95	V. Perry will contact TRANSCAER to see if the Panel could offer itself as a resource to TRANSCAER. H. Shah will contact the CMA Distribution Committee to see if the Panel could become a resource to the Committee on future distribution programs. G. Marshall and V. Perry will try to arrange a two-day training session in Pt. Comfort, TX, in April 1995. G. Marshall will investigate holding a one-day session in Corpus Christi, TX. J. Klimavicz will contact Delaware Valley response personnel to see if there is any interest in either a one or two-day session. B. Wronko will work on setting up a training session in the Buffalo and Niagara Falls areas in 1995. G. Marshall will prepare an abridged version of the two-day training manual and send it to Dr. Shah for review by the Committee prior to the next meeting. <u>COMPLETED</u>							
9) VC Safety Video Script DUE 12/31/94	Committee members who wish to volunteer for the safety video work group should call H. Shah by Dec. 15							
10) Next Meeting Dat	The next Panel meeting is scheduled for Feb. 28, 1995 from 9:00 a.m. to 3:00 p.m., at CMA.
