Subject: Methylene Chloride: Information on Sub-lethal effects
Attachments: Methylene Chloride Sub-Lethal Effects 21 June 2018.docx

TWG Colleagues,

As information prior to interagency review of EPA's final rule on methylene chloride, the attached document provides:

- [Deliberative Process / Ex. 5]
- [Deliberative Process / Ex. 5]
- [Deliberative Process / Ex. 5]

This is a very short, simple document, so we would appreciate any comments by noon Tuesday, June 26. Please send any comments to Susanna Blair at Blair.susanna@epa.gov. If a short call is needed Monday afternoon or Tuesday morning to clarify anything in the document, please let Susanna know and we will set it up. Thanks very much for working with us on this.

All the best,
Jeff
