Dear Mr. Baxter:

Thanks very much for the time you spent with me and my associates discussing our asbestos products. Your candid comments on amosite were especially appreciated. I have not made a decision on the matter as yet, although I expect to do so next week. If I can be of any help to you at any time please call upon me. It was especially kind of you to give us so much of your day.

Yours truly,

Paul A. Benke
