Mr. Edgar S. McKarg,
Samuel H. French & Co.,
Philadelphia, Pa.

Dear Mr. McKarg:

I should like to be present at the dinner to be tendered to Mr. Ernest Trigg. I must, however, be on the Pacific Coast at that time on work connected with the Department of Commerce.

I should have liked to have been able to give my opinion, too, of Mr. Trigg as not only a good citizen but as an ideal type of business man in the United States. His unceasing effort in public relations to business and his devotion to every good cause in the community make him worthy of all the tributes you can pay to him.

Yours faithfully,

HH-MM.
