Subject: ABA SEER Fall 2018 Conference - Clean Water Act Legal Developments Panel - response requested
Importance: High

Good morning:

Thank you all for participating in what will be a fantastic panel on the latest Clean Water Act legal developments at the ABA Section of Environment, Energy and Resource's [Fall 2018 Conference](#) in San Diego, CA. You may know one another already, but here is a list of who will be moderating and speaking on this panel:

- Kristy A. Niehaus Bulleit, Hunton Andrews Kurth LLP (moderator)
- Brooks M. Smith, Troutman Sanders LLP (speaker)
- David P. Ross, U.S. EPA's Office of Water (speaker)
- Steve Fleischli, NRDC (speaker)

You've all been invited to speak based on your expertise in the Clean Water Act. This is a very exciting and interesting time for Clean Water Act practitioners, and I could not imagine a better group of people to share their knowledge and experience in this important area of environmental law.

I would like to schedule our first planning conference call to discuss logistics related to the conference, topics to be covered on the panel, format of the panel, and responsibilities of the speakers and moderator. Please complete this [poll](#) to let me know your availability for our first planning conference call. Once I hear from all of you, I will send a meeting invite with an agenda and other relevant information.

Again, thank you all for being a part of SEER's Fall conference.

Best regards,
Gary
