PERSONAL AND CONFIDENTIAL

October 9, 1964

Mr. L. A. Pechstein
c/o The Philip Carey Manufacturing Company
Lockland, Cincinnati, Ohio 45215

Dear Lou:

We have not yet had a report from Dr. Mancuso about the conference in New York on asbestos, but in our local paper the enclosed article appeared on October 8, 1964.

You will be interested in reading it and having it for your files. We will report to you further when we hear from Dr. Mancuso.

Yours very truly,

John T. Cantlon
