Hi Michael and Millan,

I hope all is well. Doing some clean-up work before the holiday craziness, wanted to follow up with you regarding Mr. Pruitt joining us for the M&A Symposium? Did you get a chance to confirm internally?

Thank you ,

Tom Thornton

Hey Tom, 9:30 would work great. What number should I call into? I also cc'd Millan Hupp, who travels with the Administrator and will be on the call as well.

Tom-

Just left you a message. I work in EPA's public affairs office, and was trying to reach out about an invitation to the Administrator to speak at S&P's Power and Gas M&A Symposium.

It would be great if we could hop on a call later today and discuss some logistics behind the event. Do you have any free time today?
