RE: Daniel J. Ross, et ux

Dear Bert:

With reference to your August 16, 2000 fax concerning illegible documents produced by Ethyl Corporation, we have reviewed the original documents contained in our files and are sorry to report that our original copies are not much better than yours. If you will note on the first page of each document, the following stamp appears "Not Legible When Filmed." We are unable to obtain any better reproductions of these documents. You are welcome to inspect the original of these documents in our offices but the quality is no better than the copy previously provided to you. We are attaching additional copies of these documents with this correspondence in hopes that the new copy will be somewhat better than your old version. Please call if you need anything else.

Very truly yours,

TAYLOR, PORTER, BROOKS & PHILLIPS, L.L.P.
