A meeting will be held on Tuesday, September 24, at 10:30 a.m. in the Cafeteria Conference Room, to discuss the status of Hazard Communications compliance at Texas City. Note that maintenance representatives will meet separately this month. Please contact me if you cannot attend.

Everyone should come prepared to discuss labeling in their respective units and unit labs. Also, any unfinished items from July and August (such as I.D. tables, documentation of routine, non-routine, emergency and personal protection procedures, etc.) should be brought to the September meeting.
