Thank you for the quick response and appreciate you elevating to the Secretary's team. However, for this specific request, I think one of your program managers or liaisons would suffice and be appropriate. If they can meet with our constituents on the dates mentioned below that would be much appreciated.

That said, Rep. Gonzales would be interested in meeting Sec. Duffy at some point in the near future given his placement on THUD approp and mutual priorities with the Secretary.

Best,

Thanks Cesar! I'm looping in my colleague Abigail who handles our intergov portfolio as well. I'm happy to flag for our scheduling team and see what the Secretary's availability is.

Will be in touch
Hannah

Hannah-- hope you are doing well and great to connect. I understand you are coordinating congressional affairs for DOT. I am reaching out on behalf of Congressman Gonzales who would like to request a meeting between DOT and elected officials from our district who will be in DC next month between March 10-13.

The constituents in question are traveling from Pecos and Reeves County in Texas (our oil and gas region). They would like to discuss a highway infrastructure concern that relates to safety in the area, and which they are also coordinating with TXDOT.

Please let me know who the best POC would be to coordinate this with and thank you in advance for your help.
