Kelly,

I'm at an event with Leonard and it's running over. Can we push the call back to 2:30-3?

Maria

Hi Maria –

I am available for a phone call today at 5:00pm if that time still works for you. If so, please let me know the best phone number to reach you.

Hi Maria,

I'm going to have Millan Hupp and Kelly Kunding respond with availability for the call. They are the two most important to have on. You can include me once you send the completed form back, but they will likely be the only two on the call.

Thanks!

Hayley,

Sorry for the delay. I hope you had a wonderful Thanksgiving!

Are you available for a call today 3:30-5pm or tomorrow 2-4pm? I will have two others on this call on our end who are working on logistics on the ground and in DC.

I will have this form sent back to you by this afternoon.

Thanks

Maria

Hello Maria,

It was nice connecting with you. Attached is the form we discussed to complete for the February Fed Soc event in Florida. Millan and I will review when we receive it and let you know if we have other questions. We also will want to set up a call with the event organizer (not sure if that's you?) to discuss other items related to the event before we officially confirm. One item in particular we'll be looking for information on is how this event will be advertised. We would appreciate the Administrator's name not being included on any materials until we have this conversation.

Thank you and we look forward to hopefully having him keynote this event!
