Subject: SUPPLY YOUR PRODUCTS

Attention: The President

Permit me to write this message to your company. I request your reply if you interested to supply your products to the Ministry of Endowment and Islamic Affairs Qatar.

Consequently, the Ministry is inviting reputable foreign companies to submit their tenders for the supply.

I am a registered agent with the Ministry and I will like to know whether you are interested to bid for the supply

Please contact me if you are interested and I will tell you the modalities to participate in the contract bid. I have a strong relationship with some of the Contract Awarding Committee members in the Ministry and if you are interested, my connection in the Ministry will help us to win the contract.

You will give me 5% commission upon your receipt of payment from the Government for helping you win the contract.

The contract payment term is 100% upfront payment through bank T/T payable before production and delivery while the delivery period is negotiable.

Thanks for your kind understanding and I wait for your reply.
