Re: Claimant:
Claim No: 888596-22

Dear Tony:

I wish to confirm our telephone conversation of October 26, 1987. As we discussed, I attended the first pre-trial conference at the Industrial Commission in the referenced claim on September 29, 1987. Dennis Miller did not attend. I informed Lisa Grosse, Michael Gilday and Kenneth Baylen, who presided at the conference, that settlement discussions had been taking place in the case. I also informed them that no settlement had been reached to date. Michael Gilday stated that they would merely reschedule another pre-trial conference in three months. I will again report to you after the next scheduled conference. Please keep me advised of ongoing settlement negotiations. If you are unable to settle, I believe that we should schedule the deposition of the claimant as well as the deposition of the claimant's treating physician, Dr. Ford. If you have any questions, please do not hesitate to call.

Very truly yours,

Yolanda V. Vorys
