To the attention of Mr. A. NELSON, Director and General Manager.

Dear Sir,

I received the booklet "Taking care with Asbestos"
and the accompanying letter which you recently
distributed to your customers.

May I sincerely congratulate you with the honest
and clear way in which you emphasize the need for
care and with your concern to protect the health of
all employees handling asbestos.

Sincerely Yours,

HL
Dr. J. LEPOUTRE

Corporate Medical Director
