

HERE'S WHERE YOU GET IT!

THE ONE-COAT OIL-BASE WALL PAINT

FULLER FULLCOAT

Beautiful, rich, soft finish
that only oil-base paints
can give. Assures proper
light reflection. Easy to
apply. Easy to keep clean.

Only
\$3.55
per gal.

For walls and ceilings

One coat covers practically any kind of surface—completely
hides even metallic-finish wallpapers! Even covers kalsomine.
Fast-drying. Thanks to special drying ingredients, Full-Coat
hardens to a lasting finish overnight.

One gallon does over an average room. And look at the price
Oil-paint quality at almost the cost of water-thinned paint.

Drop in and see all the lovely non-reflecting
colors FullCoat comes in—and let's talk it over

BUREAU FINDS RENTAL IN S. D. APARTMENT FI

What will renters pay for an these apart-
apartment? The answer to this prices, the
question is a matter of life and some trouble
death to many fine plans for new unless there
multiple dwellings sketched on about them
carefully pigeon-holed blueprints. Any apa-
One person who has part of that prices. Miss
answer is Miss Gladys Kerr takers than

Yesterday Miss Kerr glanced
over her list of properties which
were rented and which weren't and
came to these conclusions.

If it is a nice apartment with
three bedrooms and the rental is
\$100 a month it will be snapped
up.

MAKES LITTLE DIFFERENCE

If it has two bedrooms it will
find a tenant willing to pay \$80
but it won't be snapped up.

If there is only one bedroom it
will move for \$60 a month. And
it doesn't make much difference
whether or not it is furnished. Un-
furnished apartments are in de-
mand.

Commonwealth VENTED WALL HEATERS

**FOR APARTMENTS,
HOMES, OFFICES
4 SINGLE MODELS
5 DUAL MODELS**

**A Vented Heater Is Safer
and Healthier**

**No Odors • No Fumes
• No Open Flame**

With Commonwealth vented
wall heaters there are no trench-
es or pits to dig. The cutting of
floors, joists and sills is elim-
inated. The heater is accessible
for service maintenance with-
out going under the house.
