MEMORANDUM OF SERVICES

Our services to the Chemstar Vinyl Chloride Panel in the third quarter of 1996 included the following.

We reviewed a draft final letter of agreement with ENSR and discussed suggested changes with Has Shah.

We reviewed a memorandum concerning an upcoming conference call and spoke with Bob Venezia about current items.

On July 31, we participated in a conference call with the Health Committee.

We spoke with Bob Venezia about follow up on the IRIS project and other matters.

We reviewed a draft letter to ATSDR concerning a delay in initiating the combined reproductive and developmental toxicity study. We revised the draft letter and conferred with Venezia about the need to include a modified study plan as well.
