Subject: T&I Hearing Follow Up

Hey Spencer,

Just wanted to follow up post hearing and let you know that FRA staff continues to work with NCDOT to finalize details related to obligating the grants for the S-Line (CRISI 21 Raleigh to Richmond Corridor Infrastructure Engineering & Safety Program and FSP 22-23 Raleigh to Richmond (R2R) Innovating Rail Program – Phase IA and II).

Let me know if you have any questions.
