

1 sir?

2 A No, sir.

3 Q We have to have it to live, correct?

4 A Yes, sir.

5 Q How about asbestos?

6 A Probably we could get along without it.

7 Q Good.

8 A Do you have a point to that?

9 Q Pardon me?

10 A Do you have a point to that?

11 Q That is for the jury to decide, sir.

12 Now, we have your resume and I have looked
13 through it.

14 Can you tell the Court and jury, please, how
15 many articles you have written or co-authored in the
16 medical and scientific literature which have been peer
17 reviewed by your colleagues and which have been
18 published since 1990.

19 A No, sir, there is not.

20 Q How about since 1986?

21 A No, sir, the last one, I believe, was '85.
