VOLUME 4 NUMBER 3 ATLANTA, GEORGIA LIMITED EDITION

Auto Supply Honors Mamie Hyman

Mrs. Mamie Hyman, former bookkeeper and partner at Auto Supply in Morehead City, NC (serviced by the High Point D.C.), was recently given a birthday celebration at the store.

Mrs. Hyman, who is 90 years young, still stops by Auto Supply every week to make sure her son, T.C. Hyman, and grandson are still giving the NAPA service that Morehead City residents have come to expect over the past 31 years.

Mrs. Mamie Hyman celebrates her 90th birthday at Auto Supply in Morehead City, North Carolina. Pictured with Mrs. Hyman is her son T.C. Hyman who is carrying on the tradition of providing quality NAPA service.

ASE Fall Registration Reminder

Just a reminder to let your customers know that the deadline for the ASE (Automotive Service Excellence) Fall Test Registration deadline is October 4, 1985.

Let your customers know about this important date so that they too can take advantage of ASE certification.

NAPA Store Manager Sets Milestone

James Drake, manager of the NAPA Auto Parts store in Tucker, GA (serviced by the Atlanta D.C.), recently set a milestone in his career.

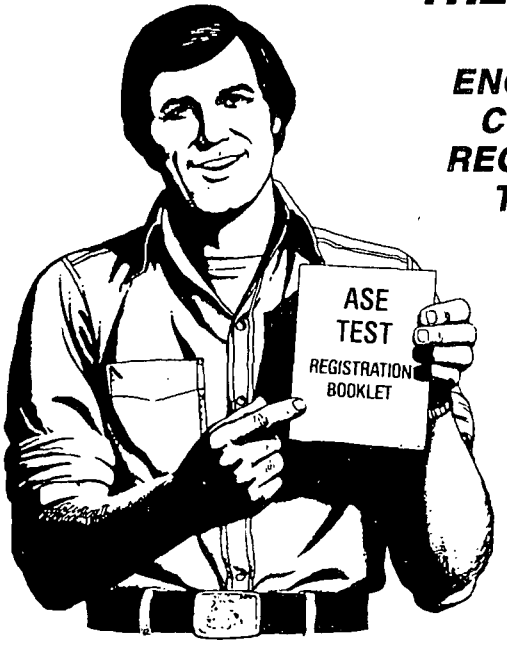

Mr. Drake has just completed 25 years of employment that includes no time missed due to illness or injury!

In fact, his record goes back almost 30 years if you include Mr. Drake's military service. Attributing his record of good health to the "help of the good Lord," Mr. Drake said, surprisingly, that as a child he was rather sickly until midway through high school.

Mr. Drake did not realize he was setting any kind of a milestone until his third year of employment when his supervisor challenged him to see how long he could go without taking sick leave.

That challenge has carried Mr. Drake for over 25 years as a member of the NAPA team. Having spent the last 11 years as manager of the Tucker store, Mr. Drake sees his role as a great challenge because you "learn something every day."

THE FUTURE WILL BELONG TO TECHNICIANS WHO CAN PROVE THEIR WORTH...
