Vaneese,

Greetings. See attached 9th PDF for arrival and departure, we will greet curbside and escort through security en route to the executive suite. The HQ FNVA is only required if you have foreign nationals in your delegation, otherwise you can ignore. For USA Citizens we just need full name for each attendee. Ms. Toye Moore, cc line, will assist with access.

Thank you!

Garland, will you forward me the documentation you shared? We'll be in touch if we have any other questions.

Best,
Vaneese

Hi Steve and Jeff!

Happy Friday and thanks for the patience here!

I just went back and looked at the meeting request. I know the DOW team was looking to meet between March 25-27 since they will be in town. What if we did the morning of the 26th from 10:30-11:15am EST work if you think that would be possible for them?

Thanks, and let me know!

Izzy

Hi Izzy,

I hope you're doing well.

I wanted to see if it would be possible to schedule a meeting between Jim Fitterling, CEO of Dow Chemical Company, and Secretary Wright while Jim is in town from March 25-27. He would like to discuss the Dow Small Modular Reactor project as well as broader energy policy.

Could you let me know if there's any availability for Secretary Wright to meet with Jim during that timeframe? We'd greatly appreciate any time he can offer.

Looking forward to your thoughts, and thanks in advance for your consideration.

Best,

Jeff
