

1 Does that answer your question?

2 Q Yes.

3 MR. SMITH: Mr. McGowan, page 36.

4 MR. MCGOWAN: I think you had some
5 designations, are you withdrawing them on page 34?

6 MR. SMITH: Yes. In fact, I am going to
7 skip up to page 53. Try and cut some of this out.

8 MR. MCGOWAN: I will go back to page 34,
9 starting at line 16.

10 BY MR. MCGOWAN:

11 Q And you are referring, again, to the exhibit
12 for identification?

13 A That is correct. In here in the January 7th
14 memo to Mr. Marshall, there is a paragraph suggesting
15 that we gather as a weapon in reserve a file on
16 medical literature on asbestosis.

17 Available are two bibliographies covering
18 medical literature to 1938 citing references to scores
19 of publications in which the lung and skin hazards of
20 asbestos are discussed, and I thought it might be,
21 well, the word salutary thing for us to have in our
