Dear Mr. Dutcher:

Addendum #2 to Exhibit A of the Contract between Bestwall and Johns-Manville has been prepared and is forwarded herewith.

With Exhibit A, Addendums 1 and 2, you now have prices on all items shown on your Gypsum Products Catalog List for all plants except New Orleans and Wilmington which are not in operation and for Bestwall, Kansas where prices have only been given for items presently available from there.

In addition, prices have been included for a few items the J-M orders are showing which appear necessary to fill out carload orders.

When the demand becomes apparent, it may be necessary to cover additional items.

A second letterhead copy of this letter and Addendum is included for you to initial and return so that it may be added to the Contract file here.

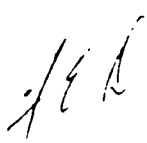

Very truly yours,

A. O. Graves
