RE: In Re All Asbestos-related Personal Injury and Wrongful Death Cases Filed by
Baron & Budd against The Dow Chemical Company

Dear Mr. Ritter:

As we discussed during our conversation on September 11, 2002 about Dow's responses to the Products Discovery propounded by Baron & Budd, Dow has disclosed in its prior discovery responses information about Deraspan panels. Enclosed is a copy of the deposition of Ronald L. Kershner, taken on April 3, 2000, that we discussed during our conversation.

Kind Regards,

Michele D. Allen-Hart
