PURE WHITE LEAD

for Every Type of Surface...

Every Kind of Finish

WASHABLE interior wall paint... undercoatings for enamel... any one of a thousand different tints... flat, egg-and-gloss finishes... durable, economical paint for wood, plaster, wall board, or metal... blended or mottled effects... plastic paint... that gives the decorative low-relief textures — any one of these you can get with Dutch Boy White Lead. It is the all-purpose, all-'round paint material. It makes for convenience and economy to standardize on Dutch Boy White Lead in your painting.
