Dear 5.1.2e,

Thank you for your confirmation.
Teams invite have been shared with all participants.

Kind regards,

5.1.2e 5.1.2e

Dear 5.1.2e

The Netherlands will also have a representative present. If you could send me the invitation, I will let you know who will attenda from our side.
Best regards,

5.1.2e

Dear PFAS Dossier Submitters,

I would like to check with you on your availability for a web-meeting on 15 June 2023 at 13:00 - 15:00 CET to present the results from the Fluoropolymer incineration study conducted by KIT.

Please note that the Danish EPA authority has already confirmed their participation.

Thank you.
Kind regards,

Subject: Fluoropolymer incineration study discussion

Dear PFAS Dossier submitters,

With respect to the concern on incomplete thermal degradation of fluoropolymer applications at their end of life in waste-to-energy recovery plants, Gujarat Fluorochemicals initiated a study project on 'Incineration of Fluoropolymers at their end of life' in collaboration with Karlsruhe Institute of Technology (KIT), SGS and other stakeholders.

An announcement has been made today in this regard, please find the link here - [Incineration Study On Fluoropolymers at their End-of-life by GFL](#).

KIT and SGS would like to present the methodology and data to you through a Teams meeting on 15 June 2023 at 13:00 CET for 2 hours. GFL would also take this opportunity to present data on PFAS emissions during the manufacturing of fluoropolymers including implementation on non-fluorinated polymerization aid technology.

Kindly confirm your availability. Thank you.

Kind regards,

5.1.2e .1.2e
