(MOORE, TOM@A1@CLE)
(SIMMONS, JOEL@A1@CLE)

Subject: Geon E-10

Please send a letter regarding FDA acceptablility for repeated food contact, for Geon E-10, under 21CFR177.2600 to:

Marty Vistins
Becton Dickinson Worldwide Medical Gloves
14300 Winchester Blvd.
Los Gatos, CA 95030-1888

Please fax the letter to Marty at 408/378-9166, with the original following in the mail.

Copies of the letter should be send to:

Joel Simmons
Ralph Purtell
Tom Moore (Resin sales) Long Beach, California 90804

825 Terraine Ave.
Long Beach

As we discussed, the letter should include more than a basic statement that the resin is approved for use under the specified FDA section above. If you recall, we had also talked about the letter reviewed the review position and program for raw material suppliers regarding FDA acceptance.

Contact me if there are any questions.

Ralph Purtell
