Subject: Government/Industry Meeting - Know Before You Go

SAE International

Attendee Planning Update
Know Before You Go

Make the most of your time at the Government/Industry Meeting next week by planning ahead. Visit the hotel and travel information page (<http://www.sae.org/events/gim/attend/hotel-travel/>) for transportation options, parking information, and more.

Download the Mobile App and Event Guide

Download the official event app to stay on top of what's happening while on-the-go at the event. Updated program information as well as reminder notification will be sent during the event. In addition, Q&A for the keynotes and plenary sessions will be conducted onsite via the mobile app. Download the app from the App Store (<https://itunes.apple.com/us/app/sae-international-events/id1331089695?mt=8>) or Google Play (https://play.google.com/store/apps/details?id=com.coreapps.android.followme.sae_events&hl=en). Download your copy of the Event Guide (http://www.sae.org/events/pdf/gim/2018_gim_guide.pdf) for Government/Industry Meeting stocked with event schedules, networking opportunities, keynote speaker list, and more!

Identify Your Must-See Exhibitors

Review the list of exhibiting companies to determine who is most important for you to see in order to stay on the leading-edge of technology.

CyberSecurity Workshop

There is still space at the SAE/NHTSA Government/Industry CyberSecurity Workshop so make room in your schedule to attend while at Government/Industry Meeting. Onsite registration will be available on Monday or Tuesday.
