Dear Bob:

Thanks so much for your February 11 reply to  
my recent letter about the court decision.

Your letter concerns me in one regard--the re-  
ference to an element of carelessness beginning to creep  
into the operations of the overseas groups. Of course  
I intend to follow up with our overseas people to try to  
insure that nothing of this sort goes uncorrected, but  
before communicating with them, I would appreciate it if  
you would let me know if you have any specific problems  
in mind. I am sure that any specifics you may have will  
be appreciated by our International people.

With kindest personal regards, I am

Sincerely yours,
