We can furnish any of these sets with D. C. shunt, A.C. starting equipment, exciter sets and other accessories.

Motor Generator Sets of modern design, available with control—still on their original foundations—available for immediate shipment.

(3)—2, 2, 1500-KW, 250-VDC, 514 R.P.M., std., interpole, pole face windings, 2150-HP type synchronous motors, 2300-V, 3-ph, 60-cy, with re-connect to 4600-V. or 4160-V.

Hundreds of miscellaneous business problems that confront you from time to time can be easily and quickly solved through the use of the Searchlight Sections of this or other McGraw-Hill Publications.

The Searchlight Section is the Classified Advertising Section appearing in each of these publications. You can use it at small cost to announce all kinds of business wants and needs to other men in the fields served by them.

When you want additional employees, want to buy or sell used or surplus new equipment, want additional products to manufacture, seek more capital—in fact, for almost any business need or want, put the Searchlight Section to work for you.

330 WEST 42nd ST. NEW YORK 18, N. Y.

There's more than 40% to 60% SAVINGS on

SCHOONMAKER DEPENDABLE DIESEL POWER

because:

Each Schoonmaker-sold Diesel Engine Unit is fully REMANUFACTURED in our plants by highly skilled, factory-trained Diesel engineers. Only genuine factory-made and approved parts are used and all REMANUFACTURING is in strict accordance with manufacturer's recommended procedures. Prior to shipment every engine is subjected to a FULL LOAD operating test in accordance with DEMA standards.

The Schoonmaker Plants and Warehouses located in Jersey City, N. J. and Sausalito (San Francisco), California give NATIONWIDE SERVICE from Coast to Coast with modern, efficient and reliable facilities.

Our reputation and many years of experience and SPECIALIZATION in Diesel power equipment gives you value that money cannot buy elsewhere.

So—Buy SCHOONMAKER because you buy the FINEST in DEPENDABLE DIESEL POWER.

America's largest source of New and Remanufactured Diesel Power
