Dear Mr. Mira,

I am sorry that there have been some failures in communication with you. Enclosed are copies of the documents that were sent to Medellin.

As the official cut off date for our reservations will be past by the time you receive this, I sent a telex to you today containing the hotel reservations phone number, but unless the hotel is very full it will probably not matter if you are late. Please arrange to arrive on August 30, as we normally start early on the first day.

Looking forward to seeing you at the meeting, I remain

Yours Sincerely

James R. Wallace
