

1 the -- at most of the hospitals in the Baltimore area.

2 And I served as visiting professor at a
3 number of universities and medical schools throughout
4 the United States and lectured throughout the world.

5 Q What is the Maryland Thoracic Society?

6 A That is the state professional association
7 of specialists in respiratory diseases, which would
8 include pulmonary doctors, anesthesia specialists, all
9 specialists who deal with diseases of the chest.

10 Q Were you president of that organization at
11 any time?

12 A Yes, I believe --

13 Q Was that 1991 to 1993? Does that sound
14 correct?

15 A That sounds correct.

16 Q Are you presently involved in any medical
17 research or have you done medical research in the
18 past, Doctor?

19 A Both. I have been active throughout my
20 career with biomedical research and currently remain
21 very active doing research in lung disease.
