Commissioner Goehring:

Thanks so much for taking the time to discuss North Dakota's issues with the Administrator and his staff. Please let me be a point of contact for you along with Tate Bennett for issues you encounter in dealing with Region 8 or the EPA HQ. As I mentioned, I travel regularly to all 10 Regions and will also meet with all 50 states, including yours.

Please let me know if I can ever be of assistance, my cell phone is listed below.

Ken
