USE PAINT
...the Great Modernizer

For more information, please write to: The Great Modernizer, Inc., 1000 Broadway, New York, N.Y. 10003.

From 1940 to 1945, the Great Modernizer, Inc. was the only company in the world to produce and distribute the Great Modernizer paint.

Now, long after the war, the Great Modernizer paint is still being produced and distributed by the Great Modernizer, Inc.

What excitement is required?

None! You have no elaborate setup, no special tools, no special paint.

Just paint the paint.

That's all there is to it. Just paint the paint.

That's all there is to it. Just paint the paint.

That's all there is to it. Just paint the paint.
