Thank you very much, Cathy. I would welcome a meeting in the next few weeks as schedules allow.

Best,

Samantha,

Thank you for attending a portion of our ACC Environmental Management Committee meeting yesterday. I know you're just getting started and have an enormous job ahead, but what a fantastic opportunity – shaping the future of policy and business.

We stand ready to help you however we can, either directly or through our trade associations, as you begin the work of prioritizing and making change.

Best regards,

Cathy Mapes
