Subject: Prep Session: SPE Plenary Panel - Navigating the Energy Transition - State of the Union

Dear Panelists:

Thank you for completing the Doodle poll. This is the date/time that works for most people. If you are not available during this time, we will setup a separate meeting to accommodate your availability.

Because the prep meeting is almost 2 weeks prior to the event, my suggestion is that you all start developing your 1-2 slides for your 5 min opening remarks (especially if your company has a lengthy approval process).

Feel free to share your slides amongst this group or a draft to ensure all panelists are not repeating the same message(s).

Caroline and I look forward to meeting you!

Sincerely,
 Simeon
