Please let me know if you got my email that I just sent. I want to make sure I got your address correct.

Thanks again,

Al

I would love to get a letter from previous chairs and appreciate that offer.

So that you know, I've spoken to Seth Davis and Mike Gerrard who are agreeable to letters. Your help is really appreciated.

To me, that makes no difference. I am happy to prepare a letter and will coordinate with others to start.

Lynn, thanks so much for the call back. I appreciate the letter offer and want to take you up on it. I've spoken already with a couple of past chairs who I know would contribute.

However, I wanted to shoot this past you too. This is actually from the section for a previous nominee. Of course, I'm greedy and this was the purpose of my call to John Milner. Just wanted you to be aware, and thank you so much for you time to reach out to the section staff in Chicago.

Thanks

Ryan.

I know, so we are furiously trying to adjust our scheduling to making this and another event in DC work because SP will be coming in from MI, IA, and KY and can be back Thursday. Does Thursday afternoon work just as well? I thought it was just whenever.

Hi Ryan

Any news on Scott's availability for this event?

Thanks

Doug

Sure. This is a no brainer. And thanks for the help on the science boards. Those get announced in the next couple of weeks.
