DRIVING THE DAY

FIRST IN PLAYBOOK: SERGIO'S HOBBY -- Sergio Gor, Sen. Rand Paul's (R-Ky.) prominent communications director, is helping out Fox News' Eric Bolling with PR for his new book, "Wake Up America: The Nine Virtues That Made Our Nation Great - and Why We Need Them More Than Ever." Gor has been helping coordinate interviews with Bolling and accompanying him on some TV interviews for the book. Gor said he is doing this on his own personal time, and Paul gave it his stamp of approval. Gor told us, "I was happy to lend a hand to my friend and former boss Eric Bolling as he launched his new book."

TODAY is the 10th anniversary of the first iPhone. Walt Mossberg, the renowned tech journalist, said at the time that "It is certainly the most beautiful and most radical smart phone or hand held computer I have ever tested." <http://bit.ly/2tou6DQ>

Happy Thursday, and happy almost Fourth-of-July weekend. There's plenty of palace intrigue, horse trading in the Senate over health care and the deets on how Democrats are plotting to thwart Republicans' health care legislation.
