No worries on the photo. I can possibly pick it up next week.

I gave it to Michelle awhile back so I'll need to look into where it ended up and get it over to you. Sorry for my delay in getting back to you!!

> Hey Sydney! So glad you are on the ground with a Admin. Pruitt. Let me know a good time to give you a buzz. I'm sure you're quite busy. Just wanted to offer invitation for administrator Pruitt to join me, his old friend Chris Jankowski, and Jim Proctor who is facilitating the world water day speech for dinner next Tuesday, March 21. This is the night before his speech. Might be a good time to decompress, have some good food and company and just walk through the world water day agenda. And you are of course welcome to join us. Also on a sidenote did you by chance get a photo that I think I mailed to you or your sister. I can't remember. It was a few weeks back to get signed? Hope you're well. Would love to see you while I'm in DC next week. Please let me know if I can ever be helpful to you.

**Subject:** RE: Meeting with Administrator Pruitt

Thanks, Sydney

The meeting is with John Minge, who is Chairman & President of BP America, but is NOT the Chief Executive of BP plc.

He is our senior executive in the U.S.

The meeting is really an initial introduction.

He will likely tell the Administrator about the company's role in the U.S., issues we work with E.P.A. on, and likely invite him to visit some of our facilities.

There is no specific issue we are pushing or ask we are making.

That work?

Copying my colleague Bob Stout, who runs Regulatory Affairs on my team and will be a good point of contact for your office in the future.

Thanks, Geoff

**Subject:** Meeting with Administrator Pruitt

Hi Geoff,

Hope this email finds you well! My name is Sydney Hupp and I now handle scheduling for Administrator Scott Pruitt. I am working on Monday's schedule and just wanted to confirm the meeting at 2:30PM with the CEO of BP. Would you kindly provide to me a topic for that meeting and who all will be attending, as well?

Thank you,

Sydney Hupp

Office of the Administrator
