December 10, 1980

Mr. Paul E. Toth, Manager
Industrial Hygiene and
Toxicology Department

cc J. E. Fisher

Subject: Asbestos

We were notified today (12/10/80) that 1981 model C6 transmission clutch bands and plates do not contain asbestos (previously an industrial hygiene consideration at Livonia Transmission Plant).

Roger Wabeke, Supervisor
Industrial Hygiene Services Section
Industrial Hygiene and Toxicology Dept.
