

1 hourglass method.

2 THE COURT: The hourglass is very, very big
3 at the top and no opening at the bottom.

4 MR. SHELLENBERGER: I think when you turn
5 your head, Judge, he turns it over again.

6 THE COURT: Is that what his trick is?

7 MR. MCGOWAN: When he was asking questions,
8 Judge, I saw the clock go backwards.

9 (Whereupon, laughter ensued.)

10 (Whereupon, discussion off the record.)

11 THE COURT: How much longer do you
12 anticipate with Dr. Millette?

13 MR. WILLIAMS: Probably 20 or 30 minutes.

14 THE COURT: Okay. Closer to 15, right?

15 MR. WILLIAMS: I will do my best.

16 MR. IGNATOWSKI: Your Honor, while we are on
17 the record, I discussed this with Mr. McGowan and Ms.
18 Tostanoski.

19 Yesterday I referred to two X-rays of Mr.
20 Vandergucht, VA 29-D and 29-E, as being in September
21 of 1980. They should be September of 1981, and we
