

1 information on asbestos friction products prior to commenting
2 upon the Illinois Pollution Control Board's proposal to ban
3 asbestos brake linings?

4 A Not to my knowledge.

5 Q What were the comments ventured by the Asbestos
6 Study Committee regarding this proposed ban?

7 A This was 30 years ago, I don't remember.

8 Q Do you remember the general substance of the
9 comments?

10 A No. But they are all in the files someplace or
11 they were.

12 Q Was the committee against the proposed ban on the
13 asbestos in brake linings?

14 A Yes.

15 Q What did the committee base its opposition to the
16 proposal to ban asbestos in brake linings upon?

17 MR. FRIESTEDT: Objection.

18 A Far-reaching, overextention of government going to
19 say you can't and what are you going to put, air in the
20 brakes. Had to have brake linings, people didn't know about
21 other things, if there were any things.

22 Q Did the committee review any fiber release data
23 regarding asbestos in brake linings prior to opposing the
