April 21, 1930

*Dr. J. H. Dyer*

Mr. Ernest Muhlack, President  
Keasbey & Mattison Company  
Amblar, Pennsylvania

NO 10  
MAY 1930

Dear Mr. Muhlack:

Attached is a copy of a letter of April 22 from the  
office of Mr. A. J. Vorwald, Director of the Bureau Laboratory,  
which is in reply to my letter to him of April 15, at which  
time I also wrote to you.

Perhaps a diplomatic inquiry from you directed to  
Mr. Vorwald would be in order, if you feel so inclined.

Yours sincerely,

J. P. Woodard
