A Sure.

Q Okay. I believe you indicated earlier, Dr. Fowler, that you were forwarded certain materials to review concerning Mr. Wood's case; is that right?

A Yes.

Q And among those materials were the transcripts that we talked about; is that right?

A Yes.

Q Were you also forwarded some medical records?

A I think there were some, and I can't remember. It was one report and maybe some pathology.

Not the complete medical records, I don't believe.

Q Okay. Were you forwarded a report by a pathologist named Gary Hill?

Does that ring a bell?

That is okay. Let me just ask you the question a different way.

Were any of the materials that you recall
