Re: Nevada Power Company v. Monsanto Company, et al.

Dear Tom:

Pursuant to your letter of April 12, 1989 and our subsequent telephone conversation, I am enclosing herewith (1) draft of a form of complaint to be filed with the District Court in Clark County, and (2) a file memorandum setting forth the matters which you asked me to research. I solicit your comments with respect to both.

In the case of the file memorandum, I particularly would welcome your review to ascertain whether I have comprehensively covered the territory you want explored. The notes that I took during our telephone conversation may be incomplete.

Is there reason either to include or not to include a RICO count in the complaint?

Sincerely yours,
