Dave
You may want to
carry the ball
Warren Small
with Harry Kapp until
Banner/Davis. return the
Our first need is to get
Industrial Hygiene agents
I think the data
checked by DMEH so we
will get up both
can get material out of tanks
in the same memo,
and into drums. We can
resolve whether we land-fill
or incinerate later. Right?
Who should handle?

C01155
