Dear Deputy Assistant Secretary Skipwith:

I am reaching to you as Chief of Staff of the Consulate General of the Dominican Republic, because we have been working closely with our Technical Ministry of the Presidency, which is responsible for the responsible development of tourism in the Bahia de las Aguilas/Jaragua National Park area of the Southwest DR, and would like to engage you in a conversation to explore how the Secretary of Fish, Wildlife and Parks, could assist the DR Government in the management of this important, transnational, UNESCO Biosphere Reserve.

After doing some online research about your International Affairs programs, I saw that there can be some areas of collaboration with my country in the aforementioned area, such as the ones you have ongoing in Central America.

Please let me know when we can discuss this further, over a telephone call.

Thank you,  
Eduardo
