You still need to take out the stuff about why the Obama standards are bad.

We cannot indicate a pre-judgment of the outcome here, doing that carries a lot of risks for the process down the road.

Per the request below I've drafted the attached "Blog" post. Lincoln would you mind taking a look for style and Samantha please take a look for substance.

Once approved, we'll send back to the WH and it will be posted at this site:
<https://www.whitehouse.gov/blog>

Thank you,

John

Hey man -

Any chance you can break away for a few to write a "Admin. Pruitt had a big week with POTUS doing x y and z" blog post for the WH.gov site? Needs to be in third person (just can't come first person)
