August 11, 1975

General Electric Company
401 North Washington Street
Rockville, Maryland 20850

Att'n: Mr. E.G. Sutherland

Gentlemen:

Concerning your invoice #945520: while it is true that quite some time ago, I requested two copies of the CPM System manual, they were never received, the time of their utility has long since passed and they are no longer desired.

This information was transmitted to Richard S. Fontaine, our General Electric Account Manager at East Orange, several weeks ago.

I hope that this information will settle the matter.

Very truly yours,

TENNECO CHEMICALS, INC
Organics & Polymers Division
